Subject: VPDES Permit No. VA0023469, Reissuance

Dear Mr. Newton:

Your VPDES permit is enclosed. As noted in the fact sheet, the permit has changed; please read the permit carefully as you will be responsible for complying with all conditions of the reissued permit. The first DMR required by this permit for monthly monitoring is due on April 10, 2016 for the monitoring period of March 2016. The first DMR required by this permit for annual monitoring is due on January 10, 2018 for the monitoring period of January 1, 2017-December 31, 2017. If you still have DMR data to report as required by the previous permit please submit it as an attachment to the first DMR required by this permit. Monitoring results on the DMRs should be reported to the same number of significant digits as are included in the permit limit for the parameter. The electronic DMR will be available through eDMR upon the effective date of the reissued permit.

As provided by Rule 2A:2 of the Supreme Court of Virginia, you have thirty days from the date of service (the date you actually received this decision or the date it was mailed to you, whichever occurred first) within which to appeal this decision by filing a notice of appeal in accordance with the Rules of the Supreme Court of Virginia with the Director, Department of Environmental Quality. In the event that this decision is served on you by mail, three days are added to that period.

Alternatively, any owner under §§ 62.1 - 44.16, 62.1 - 44.17, and 62.1 - 44.19 of the State Water Control Law aggrieved by any action of the State Water Control Board taken without a formal hearing, or by inaction of the Board, may demand in writing a formal hearing of such owner's grievance, provided a petition requesting such hearing is filed with the Board. Said petition must meet the requirements set forth in 9VAC25-230-130 (Procedural Rule No. 1 – Petition for formal hearing). In cases involving actions of the Board, such petition must be filed within thirty days after notice of such action is mailed to such owner by certified mail.

If you have any questions, please contact Brian Wrenn at brian.wrenn@deq.virginia.gov or 804-527-5015.

Sincerely,
